

Construction detours in place on Rt. 13

According to DelDOT, motorists using Rt. 13 north of Smyrna are being detoured due to the erection of steel beams for the SR-1 bridge over Rt. 13 between Pine Tree Road and Rt. 71.

During construction, Rt. 13 through traffic is being detoured between Pine Tree Road and Rt. 71. Access to homes and businesses along Rt. 13 continues to be maintained at all times.

Now through May 17, southbound Rt. 13 will be closed from 9 p.m. to 5 a.m. nightly. Northbound Rt. 13 will have a single lane open. The southbound detour is right on Pine Tree Road and left onto Rt. 71 to Rt. 13.

From Monday through Thursday, May 21-24, northbound Rt. 13 will be closed from 9 p.m. to 5 a.m. nightly. Southbound Rt. 13 will have two lanes open. The northbound detour is left on Rt. 71, right on Pine Tree Road, and left back to Rt. 13.

In the event of rain or unforeseen conditions, the work

may extend in the following week.
